

I AM the Presence and I Call to the Company of Heaven. I call specifically this day to Saint Germain, the Goddess of Justice, the Goddess of Liberty, Ancient Grand-Mother, White Buffalo Calf Woman, Mirium – the Voice of the Madgalenes, Arch Angel Michael, Emmanuel Jesus Christ, and Mighty Victory. I AM calling to all you Mighty Beings, and to your Sacred Fires of Creation, and to your Legions of Angels. I command and demand the shattering of the sinister force's stranglehold on education systems. I command and demand, with one Mighty Stoke -- you shatter and release the sinister force's hold on all educational systems across the globe. I Call Forth a Cosmic Transformation/Transmutation of all educational systems across the globe. Replace all that has been transformed and transmuted into the Purity of Liquid Light. I Command and Demand that educational systems on this Planet serve their Divine Purpose -- to assist with the awakening of all of humanity, teaching about the Higher Knowledges of the Tree of Life, and the Use of the Sacred Fire. I thank you and affirm that Freedom Reigns in this New Golden Age of Peace.

Great Beings of Light and Love who have been called upon this day, multiply this Prayer Call 10 Billion by 10 Billion. All Mighty I AM X 3
